According to The Rules of the Tasmanian Music Teachers' Association the "Basic Objects of the Association" include:

- To be concerned with matters of music education and in particular of private music teaching.*
- To define, promote and maintain professional standards in music education and in particular in private music teaching.*
- To represent the interests of its members.*
- To compile, hold and maintain a register of the names of persons who are experienced teachers in music professionally engaged in private practice*

Tasmanian Music Teachers' Association Inc.

An Association of qualified instrumental and vocal teachers registered throughout Tasmania

INFORMATION AND APPLICATION FORM

The Tasmanian Music Teachers' Association aims to encompass the following benefits:

- Professional development
- Performance opportunities and masterclasses for students
- Regular presentation of highly qualified intrastate and interstate guests
- Opportunities to meet other studio music teachers in both formal and informal meetings, allowing the exchange of useful knowledge
- Advertising and referral service
- Giving individual teachers recognition and appreciation of their professional music teaching ability
- A collective voice for individual studio music teachers
- Registered members are entitled to use the qualifications "Registered Member of TMTA" or "Senior Registered Member of TMTA"

www.tmta.com.au
